Dear Steve:

I want to take this opportunity to express our appreciation for the excellent work performed during the year-end "crunch" for the AWS Liberty project. Congratulations on a job well done and many thanks for your loyalty and hard work. Our efforts have been recognized and we played a significant role in achieving Bechtel's and AT&T's 2002 on-air numbers.

I wish you continued success in 2003 and I'm looking forward to a safe and prosperous new year. Thanks again to everyone at Dun-Rite for their efforts and keep up the good work.

Very truly yours,
